The EWPAА is once again conducting a 5 day "live-in" Course at the Bardon Professional Training Centre, Simpsons Road, Bardon, Brisbane, Qld. on the production of engineered wood products.

The Course fee for 2010 will be \$1950.00AUD plus GST where applicable.

It is unlikely that an elective usually conducted on Sunday prior to Course commencement on Monday will occur in 2010.

Accommodation costs including hot breakfast range from \$126.00 per night for a Guest Lodge to \$169.00 for an Executive Lodge.

The 2010 program will cover such topics as listed with 'hands on' offsite visits.

- Modern Veneer Lathes and Driers,
- Plywood Adhesives,
- Veneer Peeling,
- Basic Wood Science,
- Veneer Drying Fundamentals,
- Troubleshooting for Causes of Faulty Bonds,
- Glue Mixing,
- Bonding LVL with Phenolic Adhesives,
- Characteristic Structural Properties of Plywood,
- Veneer Grading,
- Simplified Basic Mechanics,
- Preservative Treatments,
- Quality Control & Product Certification,
- Formaldehyde Emissions,
- Overlaid Plywood,
- Structural Characteristics of Veneers
